and subject to applicable taxes

Available for:

“ZF1” Chassis code. 1st generation. 2010-2012

“ZF2” Chassis code. 1st generation. 2013-2015

Features:

- › Uses the ultra efficient S5-150 screw compressor which provides a denser charge, creating more power and torque.
- › Suitable for a standard vehicle without the need for any additional upgrades.
- › No cutting or welding. Completely bolt on. Sprintex® designs do not require body or frame components to be cut.
- › Manufactured under ISO9001.
- › No external oil lines to add as the compressor has its own internal oil supply.
- › Sprintex system parts are warranted for 12 months or 12,000 miles.
- › Optional plug and play Sprintex interceptor available.
- › Estimated installation time of 6-8 hours.
