### Available for:

2002 to 2008 Mini Cooper S R52 and R53, LHD  
/ RHD with Manual Transmission.

### Features:

- › Replaces the factory Roots type supercharger with the ultra efficient S5-210 screw compressor which runs cooler and provides a denser charge, creating more power and torque at the same boost level.
- › Suitable for a standard vehicle without the need for any additional upgrades.
- › S5 -210 can generate 300Hp on modified vehicles.
- › No cutting or welding. Completely bolt on. Sprintex® designs do not require body or frame components to be cut.
- › Sprintex system parts are warranted for 12 months or 12,000 miles.
