*with standard pulley supplied

MSRP: \$3,790* AUD incl. GST
+ installation

* Pricing subject to change without notice
and subject to applicable taxes

** Excluding consequential damage

Available for:

2008-2013 - "GE8" Chassis code. 2nd generation.

Features:

- › Uses the ultra efficient S5-150 screw compressor which provides a denser charge, creating more power and torque.
- › Suitable for a standard vehicle without the need for any additional upgrades.
- › No cutting or welding. Completely bolt on. Sprintex® designs do not require body or frame components to be cut.
- › Full system, includes tune (hardware only option available)
- › No external oil lines to add as the compressor has its own internal oil supply.
- › Sprintex system parts are warranted** for 12 months or 12,000 miles.
- › Manufactured under ISO9001 oversight.
